hub:~ user$ date                >> Sat Sep 23 09:00:00 EDT 2017
```

Purpose: Hard things are hard! But many hands make lighter work. Innovation happens when techies, experts, dreamers, designers, policy leaders and citizens come together around some of our most pressing challenges. Optimism, collaboration and transparency are the fuel for 21st century solutions. #OpenData #OpenGov #OpenInnovation

- 9:00 am** **Booting Up**
Carpooling, coffee and connecting

11:15 am

Break(30);

11:45 am

#ProjectPitches - Additional perspectives and project pitches

Featured speakers by theme, for example, Suicide Prevention Innovations:

Brian Stevenson, Innovation Coordinator, VHA Innovation – PsuedoVet

Colleen Creighton, Executive Director, American Association for Suicidology

12:15 pm

Group Soup - Grab lunch with your team, start unpacking the challenge and forming a plan

1:00 pm

fork; join(team) - Work with your team to rapidly iterate on ideas to form projects

2:30 pm

#CheckIns: Super quick report out to the whole group. Pick a pitch person to share your ideas, even if they are still rough.

2:45 pm

if team == yes; breakout - Back to your teams, back to your work!
This is crunch time.

3:45 pm

@Channel - Report-out to whole group:

120 seconds or less, GO! One slide (keynote, PPT or Google Slides) to present to everyone:

- Team name
- Group members
- 1-sentence elevator pitch
- Infographic or summary of with key insights, takeaways & highlights
- Next steps
- What one skill or resource to do you need the most to continue?

3:55 pm

From beta to shipping – What's next from here?

Harnessing today's work for real-world impact

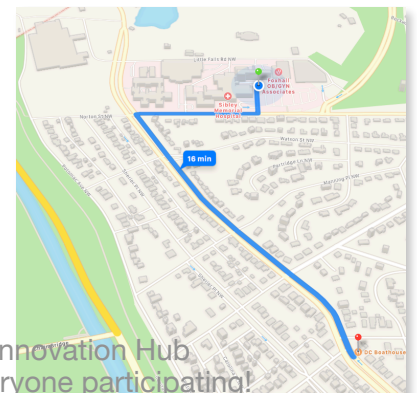

Kristen Honey, OMB
