

SURFING THE OPEN DATA TIDAL WAVE

JULY 11, 2012

INTERNATIONAL OPEN GOVERNMENT DATA CONFERENCE
@DAVENPORTSTEVE

What's happening in development?

The screenshot shows the Aid Management Platform 2.0 interface, featuring several data visualization tools:

- Left Panel (Add Activity Step 3):** A form for adding a new activity, showing fields for Location, Implementation Level, and Sector.
- Center Top (Organization Profile):** A table showing organization details like Type (AID), Organization Name (Net Aspirations), and Organization Acronym (Net Aspirations).
- Center Middle (Type of Aid):** A bar chart titled "Actual commitments in Euro" comparing 2009 and 2010 across different aid types: Grant, In-Kind / Supplies, Loan, Technical Assistance, Capital Investments, and Technical Cooperation.
- Center Bottom (DAC CRS Sector Scheme Breakdown):** A donut chart showing the breakdown of aid by sector according to the DAC CRS Sector Scheme.
- Right Side (Welcome Page):** A summary page with a welcome message, navigation links (HOME PAGE, PUBLIC SITE, PUBLIC DOCUMENTS, REPORTS, CALENDAR, DASHBOARDS, LANGUAGE), and a sidebar with links to About AMP, Reports, Resources, Donor Profiles, Aid Map, and Contact Us.
- Bottom Right (Logo):** The ALPA logo, which consists of three interlocking circles in yellow, green, and blue.

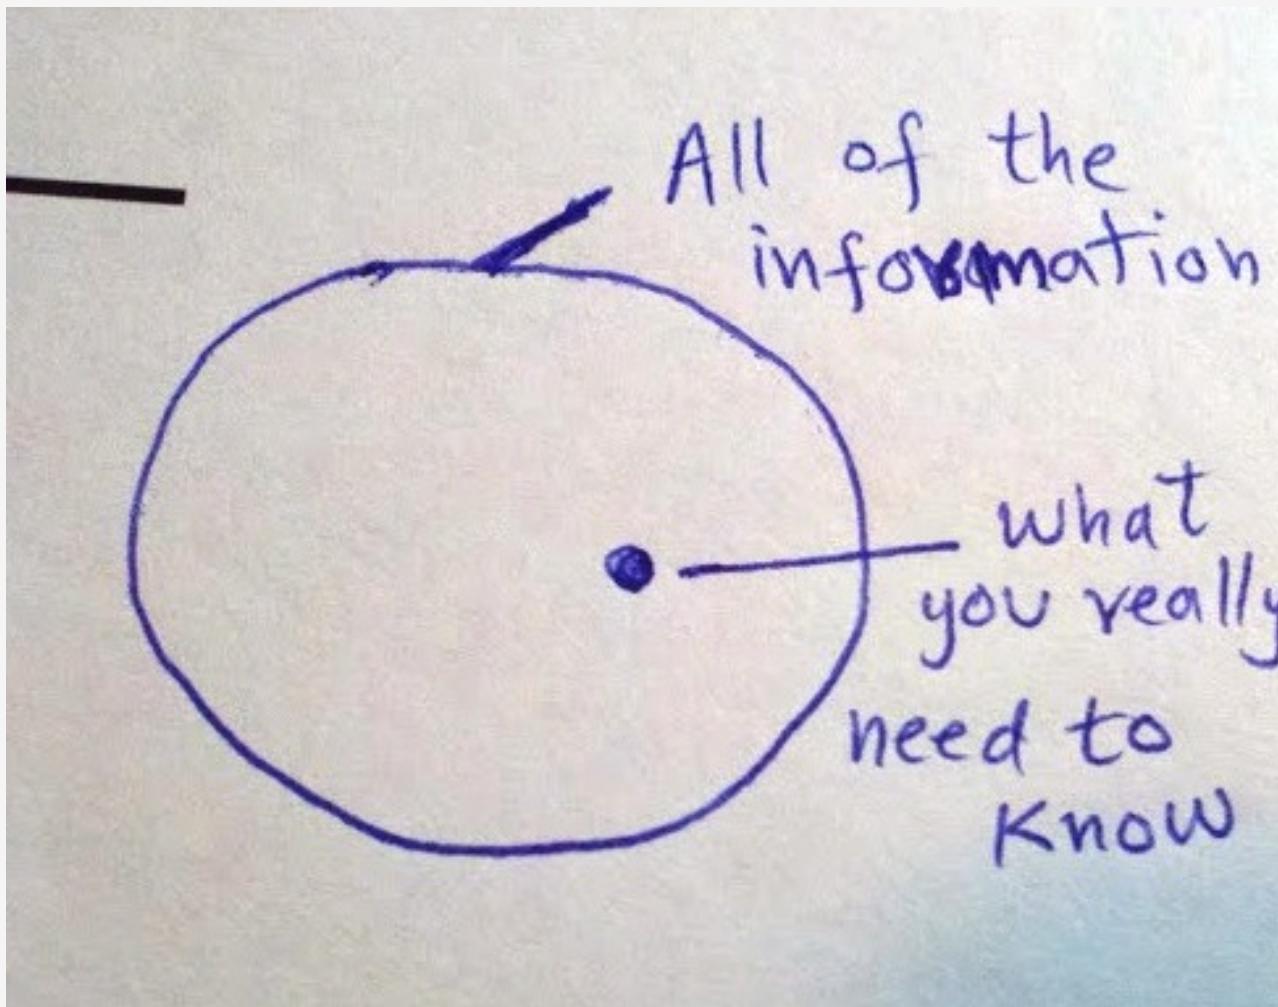

Information is becoming available,

How do we know what's working?

Need common standards and information management tools to be able to combine data on inputs, outputs, and outcomes...

Government and
donor funding for
projects

Socioeconomic data

Expenditure tracking

Stories from
communities about
what is working

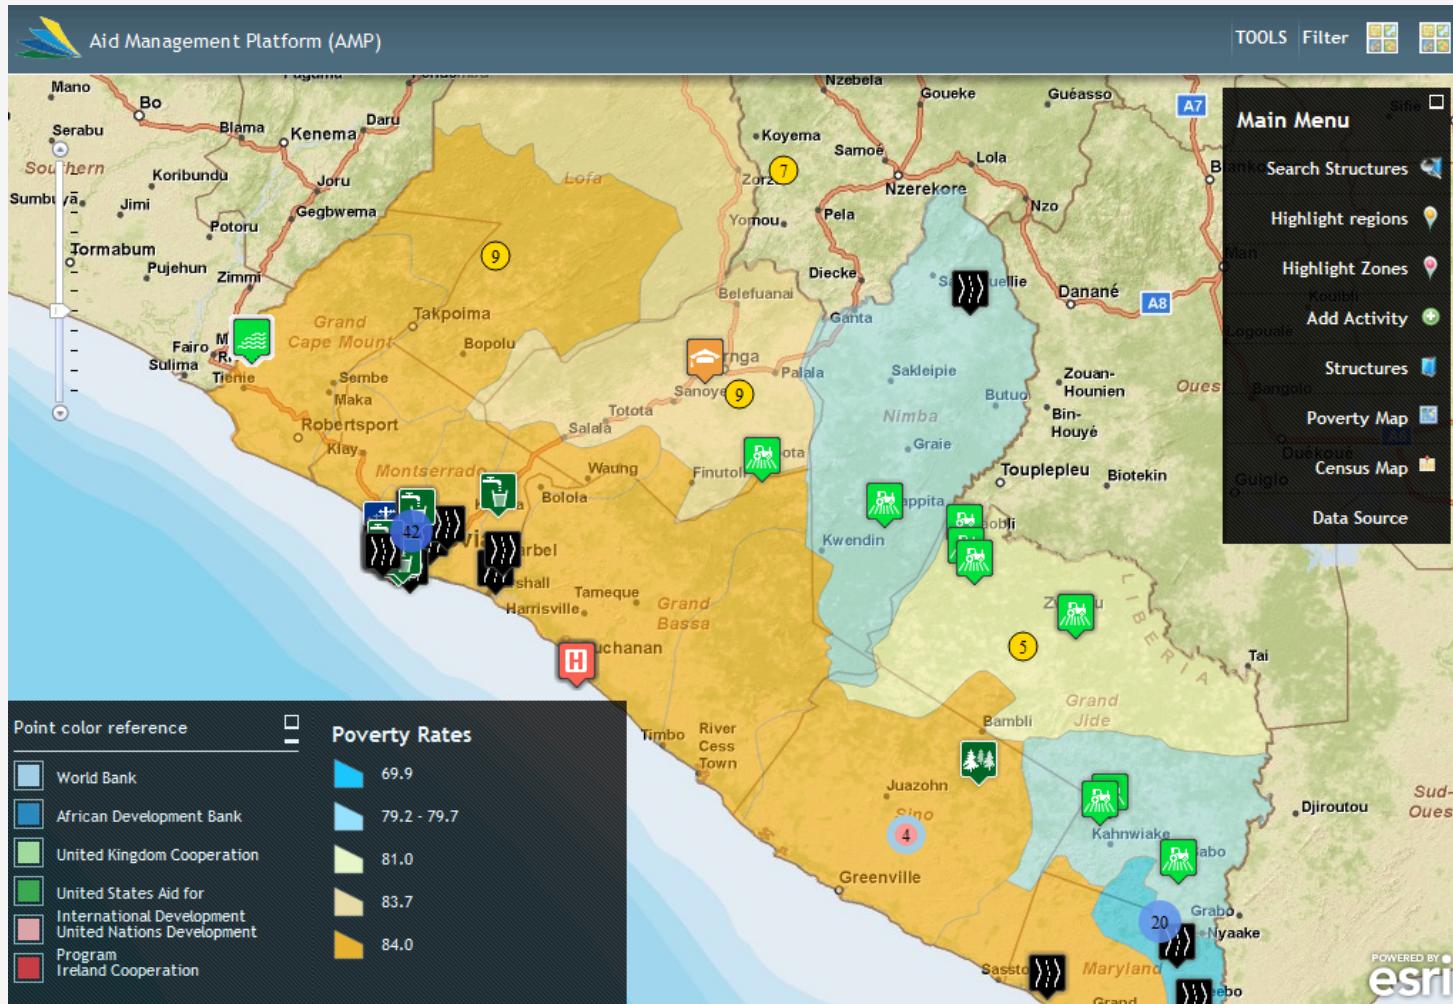

Emergence of Standards/Initiatives

- Open Data Supply (The Fuel)
 - IATI, SDMX, XBRL, APIs, etc.
- Accessibility Tools (The Car)
 - Open Aid Partnership (OAP)
- Political Mandates (Driving Lessons)
 - Open Government Partnership (OGP)
 - Global Initiative for Fiscal Transparency (GIFT)
 - Extractive Industries Transparency Initiative (EITI)

All to empower you!! (The Driver)

The Aid Management Platform is a government system to track resources

Drill down to the local level...

The screenshot displays the Aid Management Platform (AMP) interface. At the top, the title "Aid Management Platform (AMP)" is visible, along with a logo consisting of three blue and yellow arrows pointing upwards. On the right side, there is a "TOOLS" menu with options like "Filter" and several icons. A vertical scale bar is located on the left edge of the map area.

The main map shows the coastal area around Monrovia, including the River, Barneville Creek, and the Ba River. The city of Monrovia is highlighted with a dashed red border. A callout window titled "Structures" provides detailed information about specific projects:

| Name | Type | Activity |
|------------------------|-------|--|
| Monrovia - Cotton Tree | Road | LIBERIA Electricity System Enhancement Project (LESEP) |
| Monrovia - Cotton Tree | Road | LIBERIA Electricity System Enhancement Project (LESEP) |
| Monrovia Water System | Water | Urban Water Supply and Sanitation |
| Monrovia Water System | Water | Urban Water Supply and Sanitation |
| Port of Monrovia Road | Road | Emergency Infrastructure Project |
| Port of Monrovia Road | Road | Emergency Infrastructure Project |

A "Main Menu" sidebar on the right lists various functions: Search Structures, Highlight regions, Highlight Zones, Add Activity, Structures, Poverty Map, Census Map, and Data Source. The "POWERED BY esri" logo is at the bottom right, and a stylized "iDEAS" logo is also present.

**Creating Social Dialogue to Strengthen
Youth-Led Development and Citizen
Engagement**

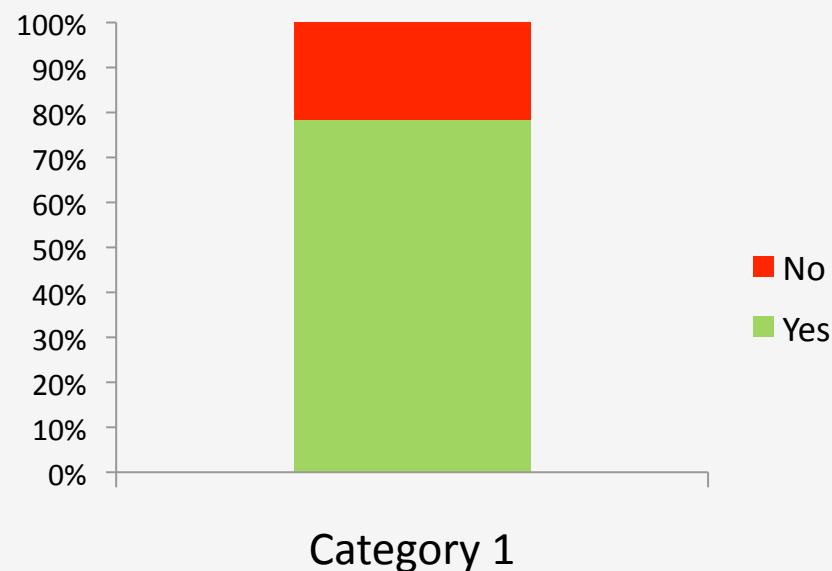

U-report: UNICEF Social Monitoring

- **U-report is an SMS tool designed to give youth and children a voice on issues they care about and that impact their community.**
- **FREE for all users**
- **130,000 members and growing**
- **8 million SMS messages sent & received each year**
- **Issues discussed to date include HIV/AIDs, Nodding Disease, Malaria, Breast feeding, water standards and many more**

U-report: Why not combine it with crowdsourcing initiatives to find out what's working?

Hi U-reporters. Go to your local health centre and tell us: Do they give free HIV/AIDS tests? Report YES or NO and HEALTH CENTER NAME

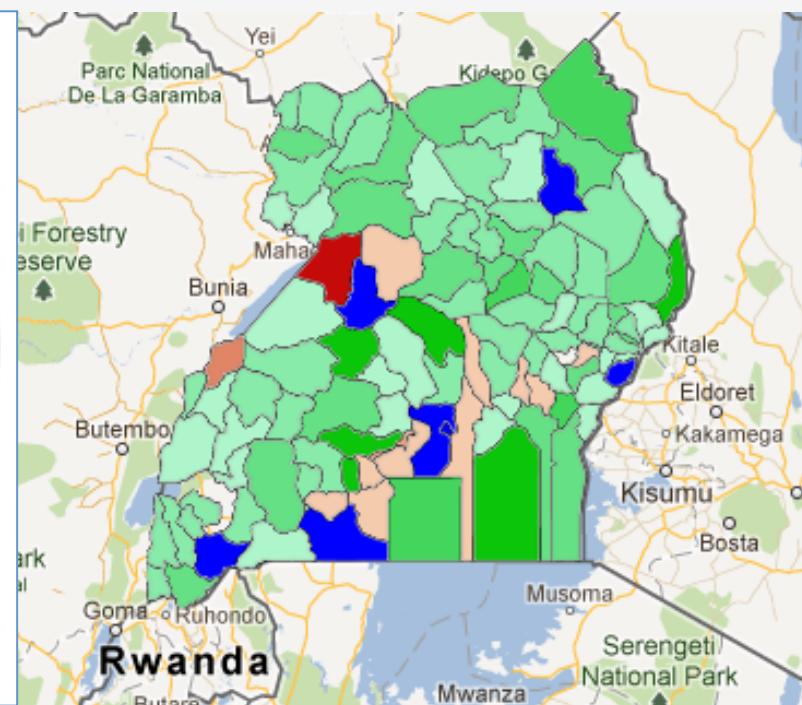

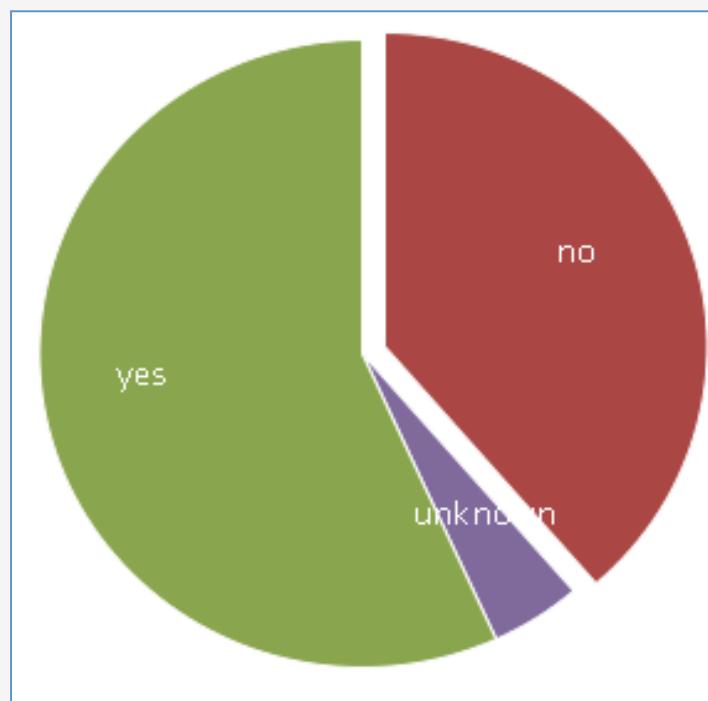

Source: UNICEF Uganda

U-report: Then, mash that up with behavioral info, and put it all on a map...

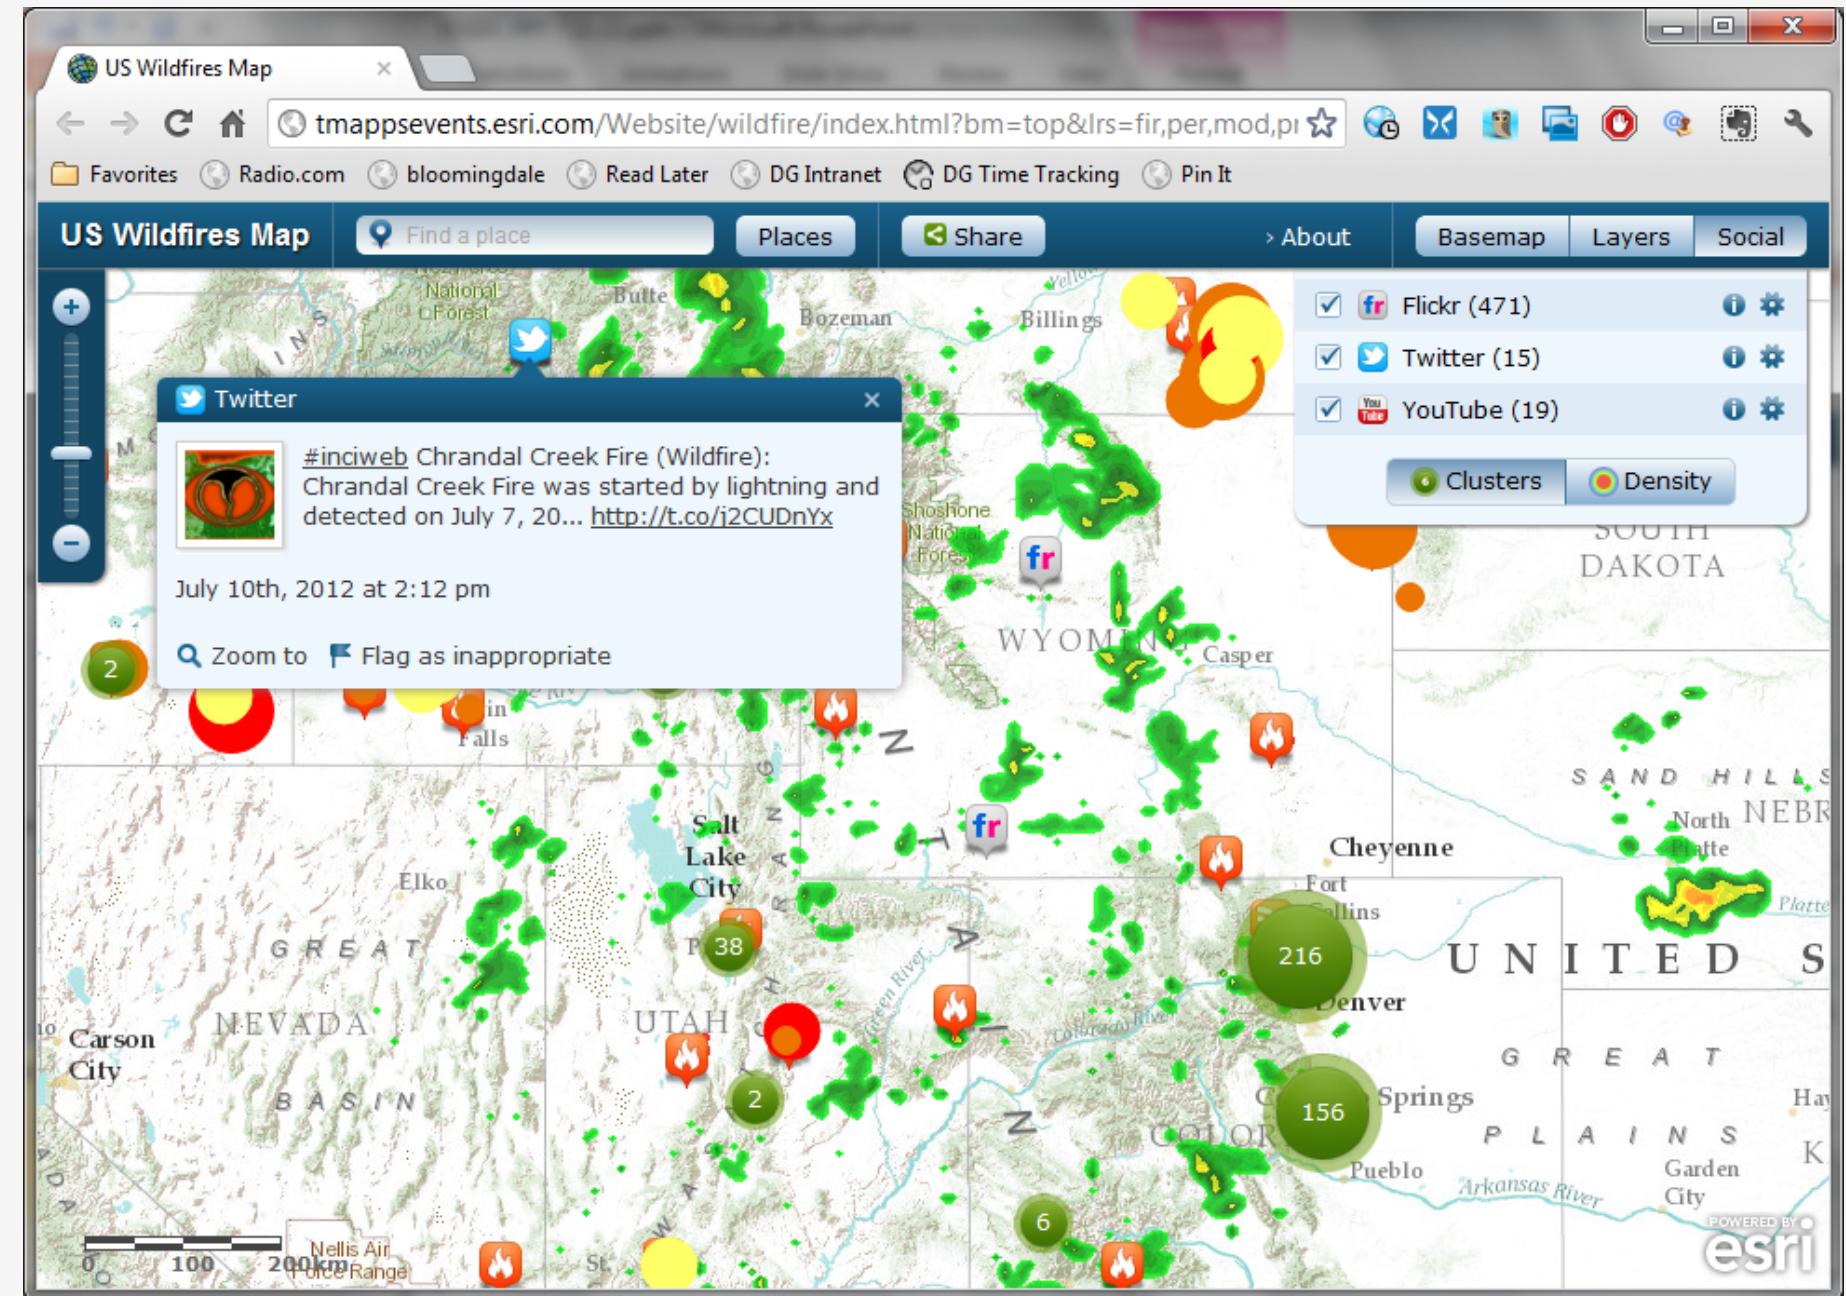

78% of U-reporters say their health centre does have free HIV/AIDS tests! Have you taken an HIV/AIDS test this year? Answer YES or NO
