Open Government Initiative

TRANSPARENCY • PARTICIPATION • COLLABORATION   **OPEN GOV**

Open Government and Technology Expo

Bringing Innovation to the Community

Wednesday, October 21, 2015
11am to 2pm
HUD Cafeteria

Learn how HUD is merging Open Government with Technology to engage the public.

HUD Tech Talks:

- **Open Government Efforts at HUD and Beyond**

  A discussion focused on Open Government best practices, lessons learned, and visions for the future.

- **The Intersection of Technology, Housing and Urban Development**

  A discussion focused on the convergence of technology and open data to address community needs.

Exhibits • Live Demos • Mini Panel Discussions
